John Walling 812-285-6476 x2225

- Do Not blow grass clippings into the street to go into the storm drains;
- Do Not pour oils, gas or other liquids into the storm drains;
- In the fall, make sure you let your pool water sit until the chlorine dissipates before letting it get into the storm drains;
- Be a good neighbor, check the storm drains in your area. If they have trash or leaves in them clean it out or call the Drainage Department.

Street Department Issues

- Trash pickup must be out by 6:00 a.m.;
- Yard waste must be out by 6:00 a.m. (We DO NOT pick up yard waste in plastic bags because we take it to the compost center.);
- Yard waste can be in any trash can marked "Yard Waste", paper lawn and leaf bags, cardboard boxes or anything bio-degradable;
- Tree limbs are picked up by the Street Department. Stack them neatly to the curb with the cut ends facing the street. Visit their website at www.cityofjeff.net for a schedule of pick up dates for your area;
- Appliances and electronics (tv's computers, monitors, etc.) are picked up on Friday and you will need to call the Street Department to be on the list for this service;
- We DO NOT pick up tires (We are charged \$8.00 - \$13.00 per tire at the landfill). We suggest you call a tire store to see if they take used tires.
- If you are remodeling or cleaning out a garage or rental property, you may want to consider renting a dumpster. If you have more than a pick-up truck load of debris there may be a charge; and
- We pick up latex paint ONLY IF IT IS DRIED UP (To dry up the paint, you can put kitty litter, sand or saw dust in the can and put the can beside your trash can with the lid off.
