

THE RULES:

- Artwork must be holiday themed, original and created by the student
- Artwork should be completed on one side of an 8.5 x 11 sheet of paper
- Artwork can be created with markers, paints, colored pencils, crayons, ink, pastels ... Any medium the student chooses. BUT all submissions must be two-dimensional because even though three-dimensional art is cool, it's hard to reproduce on a holiday card!
- All submissions must be accompanied by an entry form taped to the back of the artwork. (The entry forms are attached below. Use the one on the left if the student is submitting as part of a classroom project and the one on the right if they are submitting on their own).

* Entries are due in to the Mayor's Office by noon on Tuesday, Nov. 21, 2023 for consideration in the contest. The winning entry will be announced the first week of December. Only one grand prize winner will be selected. Entries deemed as finalists from each grade will be displayed in City Hall during the holiday season. All entries will be displayed on the video boards outside of the NOCO Arts Center in the Arts & Cultural District.

Mail entries for drop them off in person to:
Mayor Mike Moore
500 Quartermaster Ct.
Jeffersonville, Indiana 47130
